I would like to hire Anna Atwood at the library for the summer. She has volunteered 20 hours of time to have on her high school resume and she likes the library and we definitely enjoy having her work here. I would like to hire her at \$10.55 since she has volunteered and has experience working in the city. (that is in the middle of the library assistant range) She told me that she will probably still would work some weekends at the pool. She makes about \$2.00 an hour more at the pool so I feel fortunate she still wanted to work here. I think she just wants something a bit different for her last summer before college. Will you put this on the council agenda please? I have chemo tomorrow so I will likely not be able to attend on Monday.
