

## **ANNUAL WEED AND GRASS NOTICE**

Notice is hereby given to each person who owns, occupies, or controls land in the City of Beresford to cut or spray all weeds and grass taller than 8 inches. Noxious weeds and grass taller than 8 inches are considered a nuisance. It is the property owner's responsibility to control weeds on their property and any abutting boulevard or alley. A warning will be given one time per year to all of those that are not in compliance with the ordinance. The warning will allow the property owner 72 hours to comply. If a property owner fails to control weeds on their property, the city may cut the nuisance weeds or grass and invoice the owner for the service provided. Any posted properties may be given a citation to include the cost of the work including administrative costs. (On any property that the City is required to abate the nuisance, a minimum charge of \$200 will be billed.) After the initial warning no further warnings will be given and the City will hire a contractor to abate the nuisance. Any unpaid invoices will be assessed to the Real Estate Taxes for the parcel affected.

As per Chapter 3, Section 3.0104 of the Revised City Ordinances of the City of Beresford.
